Pest Control Policy

Association is committed to providing a healthy and safe environment to its Members. Included in this policy is ensuring that Association is pest-free of any vermin, insects or any other infestations. Association provides termite and carpenter ant pest control. All other pest control are Members' responsible at their Unit, unless otherwise advised by Board. In the event that Member fails to address any pest issue at their Unit in a timely and appropriate manner, Member shall be charged for any and all maintenance fees and/or other charges incurred by Association, including attorney's fees. In addition, Members are to not feed any wild animals.
