## **Pools Policy**

The only type of pool that shall be permitted on Association property will be a child's pool. Such pool shall not exceed 6 feet across and will have a maximum height of 18 inches. Said pool shall be placed above ground only. The pool shall be located in the rear of the Unit, not less than 8 feet from the Unit, and not facing any of the courts. To avoid any accidents and provide sanitary conditions, pools must be emptied daily in Member's own yard and cleaned appropriately. Pools must be supervised at all times by an adult when in use. At the end of the season (on or before September 15 of the year), the pool must be stored away in the proper place.
