Water Meters Policy

Members are required to keep their water meters clean and clear of any debris and/or material, including soil, stones, grass and vegetation, including flowers and shrubs. If material is found over the meters covers, it will be removed by Association Maintenance Department. Access to the meter is so that the same can be read and/or if the water needs to be turned off for an emergency. Maintenance Department shall charge a \$50 an hour fee (minimum one hour) for removal noted.
